

## Trunk or Treat on October 29—A Huge Turnout and Lots of Fun!

## All Saints Sunday—November 5

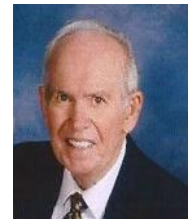

We have always believed, since the early days of Christianity, that the church includes not only the living, but all those who have gone before us and have touched our spiritual lives. In Hebrews 12, it speaks of this “great cloud of witnesses”. All Saints Sunday is the time we give thanks and remembrance to all of these people. They are people dear to us, in our personal lives as well as friends from church. Here are those from our congregation who have passed away since All Saints Day last year:

*George Mason*

*Dick Cunningham*

*John Taylor*

*John Pogue*

*Nora Wheeler*

*Libby Moore*

*Russell Clenna*

## The Fundraising Goal for Mission Guatemala Was Reached

The Mission Guatemala Team would like to thank the congregation for your support of our fund-raising efforts in preparation for our trip to Guatemala. Each team is requested to

provide \$2,000 to purchase materials to be used during their time there, and thanks to your generosity, that goal has been achieved.

We have taken advance orders for coffee from

Guatemala. We will bring these orders back with us when we return on November 12, and if we are able, we will bring some extra to sell at Sing Christmas on November 17. Again, thank you for your support.
